

MAHANAY CITY.

MAHANAY CITY, March 6, 1895. John Minehof is confined to his home by sickness. Joseph Bablowitz is sojourning at Philadelphia. Rev. G. M. Hook is visiting friends at Rochester, N. Y. Miss Mary Combs is sojourning with friends at Pottsville. William Helms is visiting friends and relatives at Pottsville. William James spent yesterday with friends at Shenandoah. Charles Kreis, of Pottsville, was a visitor here over Sunday. Mrs. Frank A. Wadlinger is the guest of friends and relatives at Middleport. James Haughey is at Scranton, attending the meetings of the Undertakers' Association. Mrs. John Adams, who had been sojourning with friends at Philadelphia, returned home yesterday. Miss Jennie Kledner, of Tanawga, is visiting her cousin, Miss Nellie Moundon, of East Mahanoy avenue. The Vulcan colliery, operated by the Mill Creek Coal Company, has suspended work for an indefinite period. The turkey supper given by the ladies sewing circle of the Methodist church, last evening, was a decided success. Joseph Mills, of East Centre street, received a letter from Wilkes Barre yesterday stating that his mother was dead. On account of not being able to remove an iron bar which was fastened on the inside of Bablowitz's clothing store door, robbers were forced in trying to rob that place early Sunday morning. M. M. MacMillan, who purchased the site of the corner of Third and Centre streets, formerly owned by the Hoppes estate, will erect a fine four-story brick building there in the near future. Richard Jones, an aged man residing on East Mahanoy street, died on Saturday morning from miners' asthma, with which he suffered for several years. He is survived by a wife and nine children. The funeral took place to day. The "Danger Signal," under the management of John M. Cooke, will be produced at Kater's opera house to-morrow evening. Go see the monster locomotive constructed of steel and propelled by steam and a train of vestibuled cars crossing the stage at the rate of 50 miles an hour. The funeral of Mrs. M. Moran, of West Centre street, took place on Monday and was largely attended by friends and relatives. Solemn High Mass was celebrated at St. Cateaus church by Revs. Duffy, of Shenandoah; D. A. Morrissey, of Philadelphia, and Carton, of town. Interment was made at Ashland, to which place the remains were conveyed by a special train, leaving at 11:30 a. m.

Rupture. Cure guaranteed. No operation. Inquire at the Shenandoah drug store, No. 3 South Main street. 9-13-1f. A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for over six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, "and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Grubler Bros.

PENNSYLVANIA LEGISLATURE.

The Fair Compulsory Education Bill Passes the House. HARRISBURG, March 6.—The fair compulsory education bill passed finally in the house yesterday with only thirteen votes against it. The Democrats tried to kill the bill on third reading and failing in this refused to vote on final passage. The vote on final passage was 134 to 13. Among other bills passed finally was the one amending the ballot act so as to abolish the December registry and changing the spring registry from May to June. The bill requiring the election proclamation of the sheriff to be published in two or more papers in each county was defeated on final passage. The vote was reconsidered and a second ballot taken, which also resulted in the defeat of the measure.

A bill was introduced by Mr. Fow, of Philadelphia, relating to suits for libel. It provides that "before suit shall be brought for publication of a libel in any newspaper in this state the aggrieved party shall at least three days before filing or serving the complaint in such suit, serve specific notice on the publisher or publishers. If it shall appear that the said article was published in good faith, and that a full and fair retraction was published in such newspaper, then the plaintiff in such case shall recover only actual damages. Provided, however, that the provisions of this act shall not apply to the case of any libel against any candidate for a public office in this state, unless the retraction of the charge is made editorially in a conspicuous manner at least three days before the election, in case such libelous article was published in a daily paper, and in case such libelous article was published in a weekly paper at least ten days before the election." Mr. Fow also introduced a bill to prohibit the printing, posting or distributing of any circular or poster reflecting upon any candidate for office. In the senate Mr. Haines, of York, introduced a bill prohibiting the use of school houses for election purposes.

Pardoned by Governor Hastings. PHILADELPHIA, March 6.—John Reilly, aged 19 years, was released from the Eastern penitentiary today on a pardon granted by Governor Hastings, and there is promise of sensational developments in an already remarkable case. On July 14, 1891, Reilly was caught while attempting to assault Irene Sissonson, aged 14, who had come from her home in New York to visit her brother. He was indicted on the 16th, pleaded guilty the next day, and was immediately sentenced to three years and fined \$1,000. The petition for a pardon was signed by 408 persons, including the girl's father and brother and the judge who sentenced Reilly, and the grounds laid were that the girl had not been injured, and that he had been induced to plead guilty without a sense of the gravity of the charge. It is said that some decided action will be taken in regard to certain persons connected with the case.

Boys Fooled with Dynamite. UNIONTOWN, Pa., March 6.—John and James Mellon, Herman Christ, Peter Gleason and five other youthful companions were badly injured in an explosion of dynamite while attempting to blast out a ground hog. The blast was not ignited, and the boys began to drill it out. An explosion followed, and the youthful hunters were blown some distance. The drill was blown through John Mellon's arm and that member nearly severed. His brother's eyes were blown out, and all the other boys were painfully injured.

Election Riots in Brazil. BREKOS AYRES, March 6.—Advices received here from Rio Janeiro are to the effect that serious election riots have occurred in the state of Pernambuco. Senhor Jose Maria, manager of the Journal La Provincia, was killed. The commander of a regiment at Sao Paulo attempted to foment an uprising in favor of ex-President Prudente, but the plot failed. The government has issued orders for the arrest of the leaders, and they will be severely punished.

Urging Pardon for Libbie Garrabrant. TRENTON, March 6.—The court of pardons received a petition signed by over 1,000 persons in favor of the release of Libbie Garrabrant, who has been in prison many years and is serving a life term for poisoning a man for whom she kept house. She was a mere girl at the time. Now she is a mature woman, and has always been an exemplary prisoner. It is believed her petition will be favorably acted upon.

Arrested for Selling Oleomargarine. NEW YORK, March 6.—Henry Raphael, manager in this city for the Armour Canning company, was arrested yesterday for selling oleomargarine in violation of the state law. Frederick C. Schraub, commissioner of agriculture for the state of New York, was the complainant. P. H. Armour was in court and went upon Raphael's bond.

Lawyer Harris Disbarred. TRENTON, March 6.—The supreme court disbarred ex-Assemblyman John Harris, of Camden, from further practicing law in the courts of New Jersey, and revoked his license as an attorney. The action was the result of proceedings begun by the Camden Bar association. Harris was recently convicted in the Camden courts of embezzlement.

Fight Between Collegians and Negroes. MONTGOMERY, Ala., March 6.—News has been received here of a riot which occurred at Auburn between collegians and some negroes. In which two negroes were shot, but probably not seriously wounded. The trouble arose over the attack of the collegians on a negro bachelors' near the college. The matter is undergoing investigation.

Thirteen Thousand Miners Will Strike. PITTSBURGH, March 6.—The coal miners and operators of the Pittsburgh district met yesterday in conference, but failed to agree, and a strike will probably be ordered today, which will affect between 15,000 and 20,000 men. The miners demand the sixty-nine cent rate, and this the operators refuse.

Barring Out the Cigarette. LINCOLN, Neb., March 6.—The house yesterday passed the anti-cigarette bill. Omaha has been especially bitter in this fight, but the various churches have succeeded in influencing their members. The chief reason for the fight has been that the dealers sold to small boys.

Two Sisters Suffocated by Gas. CHICAGO, March 6.—Annie Bohan, 30 years of age, a stenographer, and her sister, Maria, aged 22, a dressmaker, were found dead in bed in the rooms at 914 Ogden avenue, having been asphyxiated by gas escaping from a defective meter.

An Incident Revolution. TAMPA, Fla., March 6.—Major J. W. Howard, of New York, who has been traveling all over Cuba during the past two weeks, arrived here from Havana last night. He ridicules the story of any serious engagement having taken place between government troops and rebels. The latter have a poor organized army and are traveling about in bands of from three to eight, and when attacked flee to the nearest village on the approach of the soldiers. Howard says most of the rebels are what in this country would be termed marauders or tramps.

Aged Paupers in a Fatal Fight. LANCASTER, Pa., March 6.—John Siebelist and Isaac Evans, aged inmates of the county almshouse, between whom bad feeling has existed for several weeks past, quarreled in the grounds of the institution. Siebelist knocked Evans down and, it is alleged, kicked him as he lay prostrate. Evans was picked up unconscious and died shortly afterwards. The physicians say that death was due to heart disease, brought on by the beating. The latter is now locked up. Both men are about 70 years old.

Charges Against Lady Somerset. CHICAGO, March 6.—The statement made in New York by William E. Hicks, the reformer, that many of Lady Somerset's houses in London were tenanted by prostitutes is creating discussion that may lead to an investigation of the charges. It is probable that resolutions asking for an investigation will be introduced at the clergyman's meeting next Monday.

The Weather. For eastern Pennsylvania, New Jersey, and Delaware, fair; slightly warmer; west-erly winds, becoming variable. For District of Columbia, Maryland and Virginia, slightly warmer; east to south winds. The temperature will rise slowly on the Atlantic coast and in the southern states, with generally fair weather.

Quashed the Indictment. CHICAGO, March 6.—Judge Freeman yesterday quashed the indictment against the Meadweather Brothers, the bankers charged with receiving deposits when they knew the bank to be insolvent. The indictment quashed is practically the same as that upon which the defendants were recently sentenced to one year each in the penitentiary, and yesterday's action will have an important bearing on the case. The quashing of the indictment was the result of a public tender of his money to one of the defunct bank's depositors who appeared as complainant.

The Castellanes Off for Europe. NEW YORK, March 6.—The Count and Countess de Castellanes sailed for Southampton this morning at 11 o'clock. They have chosen the American line steamer New York for their honeymoon voyage. Suite 5 and 6 on the promenade deck have been secured. John Jacob Astor and Mrs. Astor, W. Bourke Cockran, Sir George Errington, Lady Errington, Count Krasieky, Lady Henry Somerset and Miss Frances E. Willard are also passengers on the New York.

Another Murder for Insurance. ST. THOMAS, Ont., March 6.—John Henderscott and William Welter were placed upon trial yesterday for the murder of William Henderscott last December. Welter had reported that Henderscott had been killed by a falling tree, but the testimony at the inquest showed that the man had been murdered and \$11,000 insurance had been collected by John Henderscott, his uncle, on the life of the deceased.

"Perhaps you would not think so, but a very large proportion of diseases in New York comes from carelessness about catching cold," says Dr. Syrus Edson. "It is such a simple thing and so common that very few people, unless it is a case of pneumonia, pay any attention to a cold. New York is one of the healthiest places on the Atlantic Coast and yet there are a great many cases of catarrh and consumption which have their origin in the neglect of the simplest precaution of every day life. The most sensible advice is, when you have one get rid of it as soon as possible, by all means do not neglect it." Dr. Edson does not tell you how to cure a cold but we will. Take Chamberlain's Cough Remedy. It will relieve the lungs, all expectoration, open the secretions and soon effect a permanent cure. 25 and 50 cent bottles for sale by Grubler Bros.
